2021 LIFESTYLE PRICE GUIDE

Oh my goodness,

I'm so freakin excited that we are already at this stage! I'm not sure what brought you to me , if it was a referral from a friend, seeing a blog post that you connected with, or have always wanted to book but that doesn't matter- what matters to me is that you've seen what I create and are envisioning how your story could be told in my art and that is the GREATEST thing!

Oh man, we are going to create some beautiful pieces together. But first things first, we gotta make sure we are a good fit. I'm not the photographer who is going to place every part of your body to where it should be. I'm not going to tell you to "give me a laugh" or " show your teeth when you're smiling" - not gunna happen - that's not my thing. What

I can promise you is that I will do everything in my power to tell the story of who you are and how you love. I don't just document the smiles- isn't life so much more than smiles?!?! I want to show the tears, the fraction of a second that your hand traced along your daughters shoulder, the one glance your husband gave you as he looked at you across the room. Trust me, these are the moments you'll want to remember and that I've had so much practice learning to capture.

Telling your story is the most important part of photography for me, and I promise you I'll do everything in my power to get you not only beautiful images, but honest images and what more could you want when you look back in life? A real and raw story.

FAQ

DO YOU DELIVER RAW (UNEDITED) PHOTOS?

Nope. My work isn't finished until my editing is finished and I wouldn't want to pass along unfinished art. There's also many photos I don't send you because honestly I either caught you in a blink or I screwed up some settings - I promise I'm delivering you with the cream of the crop ;)

HOW DOES PAYMENT WORK?

On the day of your session, I'll make an invoice for you that you'll receive through your email. I don't require deposits, but let's make this a good experience for both of us! Paying is very easy and can be done straight through your credit card!

WHAT SHOULD WE WEAR?

Oh I got you COVERED! If you decide to book with me, I'll be sending along a what to wear guide full of tips to end up with a gallery that's beautiful!

CAN YOU PHOTOSHOP US TO LOOK SKINNIER, GET RID OF ACNE, GET RID OF BLEMISHES?

I'm not a personal trainer by any means and so I can't make you look different. What I do want to focus on is making you feel beautiful and I know what angels work and don't I don't want you to look unrealistic so I don't photoshop your bodies to look different. But yes, I'll clear up any major distractions so no worries if that bugger of a pimple decides to show up the morning of your shoot! You're safe with me!

WHAT IF WE NEED TO RESCHEDULE OUR SHOOT DUE TO WEATHER?

Oh I got you COVERED! If you decide to book with me, I'll be sending along a what to wear guide full of tips to end up with a gallery that's beautiful!

“Eeks, how do you not love Tori -the sweetest and most genuine person! I've been at multiple weddings that she's photographed and watched her do such amazing work for each and every client she has! This is not just a job to her, this is clearly her heart giving people memories to cherish forever! When her kind soul gifted us a mini session to capture the most magical snowfall we could not have been more thrilled! She captured our little family so perfectly and we felt so comfortable being ourselves with her! She is so easy to click with and so very very kind! If you're debating booking a session with her, this is your sign! Tori is an amazing photographer and you will not be disappointed!”

- DEBORAH JAGER

“What's not to love about Tori. We hired Tori Brooke Photography for family photos and she killed it. She is so TALENTED! She is warm, awesome with children. Awesome with husbands who are less interested in family photos, LOL. She's super easy going, and made the entire process simple. No intimidation, just your sweet fam casually coached through a session. I'll never regret the glimpse in time her photos have given my family”

- CARMY MOOSER

“Tori is beyond incredible at her profession. I felt so comfortable with her the moment she stepped into our home and she's able to connect with you and your family on such a wonderful level. Not only is her personality great, but her photo quality is second to none. She managed to capture beautiful candid moments, and posed photos the blew us away, our weather was not great (could and some drizzle) and they still turned out perfect. Already have our second session booked and planning to use her for years to come!”
