LET THE WEDDING
PLANNING BEGIN

Oh my goodness,

I'm so freakin' excited that we are already at this stage! I'm not sure what brought you to me, if it was a referral from a friend, seeing a blog post that you connected with, or have always wanted to book but that doesn't matter - what matters to me is that you've seen what I create and are envisioning how your story could be told in my art and that is the GREATEST thing! Oh man, we are going to create some beautiful pieces together.

But first things first, we gotta make sure we are a good fit. If you are looking for someone to lay out your wedding dress perfectly for each shot, or for someone to engineer fake hugs, I'm sorry to say but you're in the wrong spot. I'm just not that gal who is going to be taking fake pictures, and spend forever on the little details

when you could be spending that time enjoying your guests. You do know there are only 24-hours in your wedding day right? Who has the time for placing every piece of clothing perfectly not me!

What I can promise you is that I will do everything in my power to tell the story of who you are and how you love each other. From the moment I pull up on your wedding day to the second I say bye, my eyes are going to be peeled and my camera ready to capture your day exactly how it unfolded. Telling your story is the most important part of photography for me, and I promise you I'll do everything in my power to get you not only beautiful images, but honest images and what more could you want when you look back in life? A real and raw story.

Frequently asked questions

DO YOU DELIVER RAW (UNEDITED) PHOTOS?

Nope. My work isn't finished until my editing is finished and I wouldn't want to pass along unfinished art. There's also many photos I don't send you because honestly I either caught you in a blink or I screwed up some settings - I promise I'm delivering you with the cream of the crop ;)

HOW DOES PAYMENT WORK?

To secure your date with me, I require a 25% non refundable retainer upon booking. The rest will need to be paid on the week of your wedding! Payments are easily made through your credit card after I send over the invoice!

WHAT SHOULD WE WEAR FOR OUR ENGAGEMENT SHOOT?

Oh I got you COVERED! If you decide to book with me, I'll be sending along a what to wear guide full of tips to end up with a gallery that's beautiful!

CAN WE FORGO THE ENGAGEMENT SHOOT FOR A BETTER PRICE?

Engagement sessions are complimentary. Basically, the price I'm giving for weddings doesn't have the engagement shoot factored into it. I've added an engagement shoot as a gift. And I can't even express just how important they are. It's a time where I get to know you guys, and more importantly you guys can start feeling comfortable with me. It's like a mini practice day before the wedding for both of us. So to answer your question, no they can't be taken off the package. I promise you, engagement sessions are worth every second!

CAN YOU PHOTOSHOP US TO LOOK SKINNIER, GET RID OF ACNE, GET RID OF BLEMISHES?

I'm not a personal trainer by any means and so I can't make you look different. What I do want to focus on is making you feel beautiful and I know what angels work and don't. I don't want you to look unrealistic so I don't photoshop your bodies to look different. But yes, I'll clear up any major distractions so no worries if that bugger of a pimple decides to show up the morning of your shoot! You're safe with me!

Frequently asked questions

SHOULD I BOOK A SECOND SHOOTER?

I do love having a second shooter for a couple of reasons. They grab so many shots that are impossible for me to get since I can't be in two places at once. I can't tell you how many times when I'm editing the second shooter's pictures that I am seeing things for the first time that I didn't see on the wedding day! I also love that second shooters help wedding portraits go faster since we divide and conquer! The second shooter will grab all of the groomsmen pictures while I grab the bridesmaids and it cuts the time down and keeps everyone happy! So no, I am capable of doing a wedding without a second shooter but they are SO nice to have!

WHAT IF I CAN'T DECIDE WHAT PACKAGE WILL BE BEST FOR ME RIGHT NOW?

That's totally understandable since it's hard to know what your wedding schedule will look like just yet! I encourage you to just choose something for now so that we can get the contract and payment schedule set up and then if we need to change the package closer to the big day, we can totally do that!

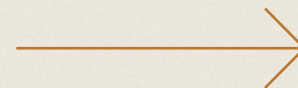

WHAT IF THERE IS BAD WEATHER ON OUR WEDDING DAY?

Yes, this sucks to even have to think about but since it could happen, let's talk about it. It's always good to have a plan in place. Weather that's cute clear umbrellas to rent for pictures, or to have a place that's covered for photos. That can be a covered bridge, a porch, or a cute indoor spot with good window light. Usually I tend to hold off on making concrete plans until the week of your wedding when we can see what the weather will be a bit more.

HOW MANY IMAGES WILL WE RECEIVE?

I don't like to give out an exact number, but you can count on at least 80 images per hour!

time for a photo break

“ TORI!! Thank you SO much! These are all soooo beautiful you did such an amazing job! We had so much fun looking at these and it was so happy and emotional reliving our special day all over again. Everything literally looks like a dream you captured it all so perfectly! I love how the colours and flowers turned out with your editing too ! I can't wait to share them with our families and print some of them!! You are seriously the best”.

- MADDIE & GARETT

Ah! Are you ready to book?

I'M SO THRILLED AT THE IDEA OF WORKING TOGETHER - TRUST ME I ALREADY HAVE IDEAS SWIRLING AROUND IN MY HEAD!

where we go from here:

if you are ready to book with me, just let me know the package you are hoping to go with, as well as if you'll want any of the add-on options! From there, I'll put together a proposal that goes over the package you've chosen, the payment plan and the contract! To secure your date, you'll need to pay the 25% retainer as well as sign the contract and we will be good to go!!!

Oh my goodness, I think that's everything! As always, if you have any questions, just fire away, I can't wait to talk all the details!
